Dear Year 12 Student and Guardian,

For year 12 students 2015, marks the end of 13 years of education and the completion of the Higher School Certificate. It is a year full of hard work and stress, contemplation and decisions and final farewells and celebrations.

As part of the final celebrations the year group has planned a year 12 formal dinner to be held after the final HSC exams are completed. A student committee was formed to research and plan all aspects of the evening. All year 12 students were consulted and they have voted for the venue and formal of their choice. It is a credit to all year 12 students that this process has been conducted in a cooperative and creative manner and that fundraising activities and donations have been successful in reducing the formal event price.

The next stage of the process is for all year 12 students to notify the organisers of their intention to attend the formal evening and pay a deposit to secure their place. As part of the planning to guarantee a fun and safe evening for all, students will be asked to complete a behaviour contract and a note to confirm that they have arrangements for leaving the venue and getting home.

Year 12 formals are generally regarded as ‘student only’ events and students usually have the best night when they are with their year group only. Students who wish to request permission to bring a guest should indicate on the slip below. A guest request form, including guest details, must be completed before requests are considered for approval by the school principal.
