Positive Attendance Policy

Bass High School 2016

Dear Parent/Guardian,

As part of the annual review of the school's 'Positive Attendance Policy, it has been concluded that an amended set of student guidelines and expectations will be introduced in 2016. All of the guidelines will have to be achieved by students to participate in any Bass High School knock out or representative sporting team or non-curricular excursion outside of the school. Students will have to achieve the following outcomes in order to be eligible:

- Achieve at least an 85% attendance rate at Bass High School
- Receive no more than ten (10) unauthorised 'lates' to school per school term

Detailed information on the Department of Education's school attendance policy can be found on the following webpage:

These expectations have been included in the policy to help maintain student accountability, respect and discipline at all times. It is a privilege to represent Bass High School in any event and it is hoped that students will meet these expectations to continue the fine traditions of hard work, respect and fair play.

Yours Sincerely
